and Mary Pierce to visit friends families for the ensuing year
which this meeting approves of. An epistle from George Shun-
-gan dated East-Nottingham in the Northern parts of Mary-
-land was communicated it was being on a religious visit
to the Churches in New-England came as far as Boston and
on his return communicated this to us as a concern that
rested on him which counsel and advice has been kindly received
there as a true good (that was new tracks) having been
the notice of friends for keeping company with one out the
Unity of friends was secure with from time to time and
both continue and proceed to Marriage wherefore it was
thought that as it is the sense and judgment of this Meetg
that she should not stand as a member until she comes
to a right and stand at her out goings which that she
may in wisdom. And we have appointed Elizabeth South-
wick Anna Hacker to draw a denial and bring it to the
next monthly Meetg. Likewise Lydia Buffum that was
now Johnson having joined in Marriage went out of the
Unity of friends and contrary to the good order established
amongst them. Therefore it is the sense and judgment of this
meetg that she should not stand as a member of our soci-
ety any longer until she comes to a right and stand of
her outgoings which that she may in our sincere desire
and we have appointed Bethia Southwick and Elizabeth
Southwick to draw a denial and bring it to the next
monthly Meeting

Men's Meeting inform that by a Request of a Committee of our yearly select Meeting it is concluded to hold our next Monthly Meeting on 2nd Day the 13th of June the Committee appointed Last Month to look over the State of our Meeting made the following report

Agreeable to our appointment we have made inspection into the matter treated on in our Last Monthly Meeting respecting the case of some who are members of Society and do not make appearance as such and others who appear as friends and have not a proper right of Membership —

Whereby we find that Allen Graves, Joanna Ruth or Rebekah Graves, all Children of William and Anna Graves were born a right members of the Church but have not attended any Meeting of friends otherwise made any appearance as friends for many years. And that Elizabeth Hovey hath attended Friends Meetings and hath been indulged to sit in our Meetings of Discipline and by a former Minute of the Monthly Meeting viz that all adults who had been indulged as aforesaid, and whose conduct was orderly should be looked upon as members. Had her conduct been orderly she might still have been indulged as a member & been established as such, but we find her conduct hath not been in the line to admit of such indulgence, but the reverse it is therefore our judgment that as her conduct doth not merit Membership and not having any right by birth to it that she ought not to be any longer indulged to sit in our Meetings of business or to have any claim to

Membership - it is likewise our judgment that the
before mentioned children of William and Sarah
as on their neglecting the attending for
meetings and otherwise not appearing as Friends
we have forfeited their right to Membership
